

Andy Fry
Director of Customer Development, Infostellar

About Andy

Andy Fry has over 30 years of International Regulatory, Government Affairs and Business Development experience gained in both the public and private sectors. He started his career working for the British Department of Trade and Industry (DTI) in a range of senior roles alternating between supporting the development of the UK's high technology & engineering sectors and promoting British Exports, Trade and Investment globally and encouraging Foreign Direct Investment into the UK. Andy was the Assistant Director of Satellite Telecommunications and Navigation at the British National Space Centre (BNSC) and the UK's lead representative at the European Space Agency's Joint Communications (JCB) and Navigation (PBNV) Programme Boards. He joined the Regulatory Affairs team at satellite broadband operator Avanti Communications in 2010 and later OneWeb where he was the Director of Government Affairs. Andy joined Infostellar as the Director of Regulatory and Government Affairs in May 2019 and took up the role of Director of Customer Development in September 2022. He is part of Infostellar's Senior Management Team and is based in London, England.
