Industry as a Partner

BRAXTON

A Strong Competitive Environment is the Government's Best Friend

GSAW 2018 Presentation

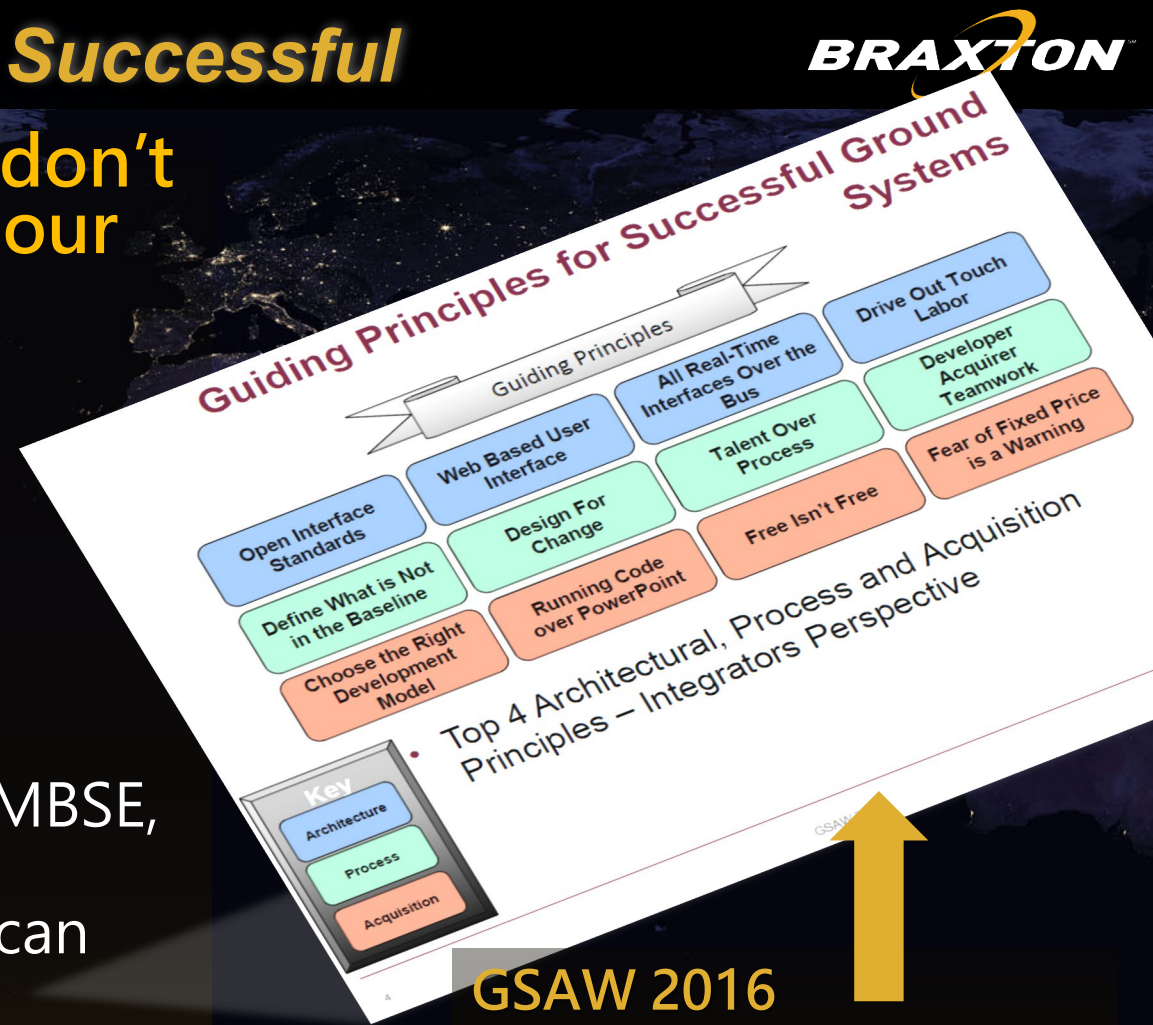

SOA's connected with loosely coupled standardized interfaces are important attributes for a competitive architecture

- **License sales alone don't alone don't sustain our industry**
- **Don'ts**
  - WaterScrumFall
  - In Accordance With
  - Socialized Software Development
- **Do's**
  - If you're going to do MBSE, do MBSE
  - Names of those who can say "yes"

GSAW 2016 Presentation
