# Session 8C

## Distributed Ground Systems

Wednesday, 1:00 – 5:00 P.M.

Session Chair: Donna Sellers,  
NASA, Marshall Space Flight Center

**Case for Deploying Complex  
Systems Utilizing Commodity  
Components**  
1:15 – 2:00

**Telescience Resource Kit**  
2:00 – 2:30

**Utilization of Internet Protocol-  
Based Voice Systems in Remote  
Payload Operations**  
2:30 – 3:00

**Coordination and Monitoring for  
Ground Control and Distributed  
Resources**  
3:15 – 3:45

**Planning Systems  
for Distributed Operations**  
3:45 – 4:15

**ISS Space-based Science  
Operations Grid**  
4:15 – 4:45

**Distributed Ground System Demos!**  
**Live ISS Data**  
**Live ISS Voice**  
**PC Ground System**
